

HOTEL TRAVEL REQUEST FORM

HOTEL ARRANGEMENTS FOR PARENTS

Parents wishing to stay at the same hotels will be asked to complete this form and provide a credit card so that reservations can be held in your name at the hotels. Hotels have very specific deadlines and if they are not followed, we run the risk of losing all the rooms. So, it is important to be considerate of those deadlines and plan accordingly. If the parents elect to stay at a different hotel, or with family or friends, it is their responsibility to make sure their daughter checks in at the team/club hotel and the appropriate coaches are notified. NC Elite coaches and administrators will work with designated parent reps/chaperones of each team to ensure we have compliance of the NC Elite travel policies.

Hotel Reservations: Check in the day before the event begins and check out on the last day of the event.
